

TEAM ID : PNT2022TMID14480

PROJECT : GLOBAL SALES DATA ANALYTICS

### EXPORT THE ANALYTICS

Finally, its to share your work either through email/pdf to show case your work to other. See the video for understanding more about sharing the work docs

The screenshot displays the IBM Cognos Analytics web interface. The browser's address bar shows the URL: `us3.ca.analytics.ibm.com/bi/?perspective=dashboard&id=i989A5C8AE32C403F8E18EC64BFDEBB30&objRef=i989A5C8AE32C403F8E18EC64BFDEBB30&options%5...`. The interface includes a top navigation bar with 'IBM Cognos Analytics with Watson' and a 'Data visualization' tab. Below the navigation bar, there are tabs labeled 'Tab 1' through 'Tab 9'. The main content area shows a chart titled 'Sales by Region' with a purple area plot. A 'Share' dialog box is open in the center, featuring three tabs: 'Send', 'Link', and 'Export'. The 'Export' tab is selected, displaying the 'Export to PDF' section. This section includes a note: 'If you are using a Windows operating system, ensure that you installed a PDF driver. For more information about exporting to PDF, click here.' Below this note, there are two dropdown menus: 'Page size' set to 'Letter' and 'Orientation' set to 'Portrait'. There is also an unchecked checkbox labeled 'Include filters'. At the bottom of the dialog box, there are 'Cancel' and 'Export' buttons. The Windows taskbar at the bottom shows the search bar, several application icons, and the system clock indicating 3:30 PM on 14-Nov-22.
